Eighty-second Meeting
Montreal, 3-7 December 2018

Corrigendum

TRANCHE SUBMISSION DELAYS

This corrigendum is being issued to standardize the recommendations in Annex I for Algeria, Antigua and Barbuda and the Central African Republic to be consistent with the recommendations contained in relevant progress reports as at 31 December 2017 as follows:

Country	Agency	Tranche	Amount (with support costs) (US \$)	Reason for delay/withdrawal	Recommendations
Algeria (Stage I)	UNIDO	2014	154,800	Government decisions/endorsements/changes in the national ozone unit (NOU)/structural change	Noting the ongoing difficult circumstances in the country and to request the Secretariat to send a letter to the Government of Algeria seeking its agreement to cancel stage I of the HPMP at the 83 rd meeting and to return the remaining balances to the 84 th meeting so that a proposal for stage II of the HPMP could be submitted when conditions permit.
Antigua and Barbuda (Stage I)	UNEP	2015	6,610	Government decisions/endorsements/changes in the NOU/structural change/submission of progress and financial reports/internal or external difficulties	Noting that the second (2015) tranche of stage I of the HPMP for Antigua and Barbuda had not been submitted due to structural changes within the Government and to cancel stage I of the HPMP at the 82 nd meeting and to return the remaining balances to the 83 rd meeting, noting that stage II of the HPMP would take into consideration decision XXIX/19 on special considerations for the Caribbean islands affected by hurricanes.
Central African Republic (the) (Stage I)	UNEP	2013	62,150	Internal or external difficulties/securities issues/20 per cent disbursement threshold	Noting the ongoing difficult circumstances in the country and to cancel stage I of the HPMP for the Central African Republic at the 82 nd meeting and to return the remaining balances to the 83 rd meeting so that a proposal for stage II of the HPMP could be submitted when conditions permit.
