IMPLEMENTATION OF THE MONTREAL PROTOCOL  
Twenty-eighth Meeting  
Montreal, 14-16 July 1999

### **Corrigendum**

#### **REVISION OF THE GUIDELINES FOR THE METHYL BROMIDE SECTOR**

Page 3:

*Delete* the repeated sentence at the top of the page before para 10.

*Replace* para 16 with the text below:

16. In any event, the incrementality of the costs arises from a comparison of the costs of applying the most cost effective, environmentally compatible and economically viable proven substitute technology with an existing baseline. The baseline, in this case, would include cost of MB and the technological set-up and infrastructure available for its application, which could be assessed.

Page 4:

*Delete* para 22 (b).
