EXECUTIVE COMMITTEE OF  
THE MULTILATERAL FUND FOR THE  
IMPLEMENTATION OF THE MONTREAL PROTOCOL  
Thirty-sixth Meeting  
Montreal, 20-22 March 2002

**Addendum**

**2002 UNDP WORK PROGRAMME**

On page 4, after paragraph 6 **add**:

Iran: Project preparation: manufacturing refrigeration terminal phase-out (US \$35,000)

6 bis. The Fund Secretariat pointed out that UNIDO has requested project preparation funding for three umbrella projects in Iran for domestic and commercial refrigeration manufacturing, and that there is little reported consumption remaining in this sector in Iran. UNDP indicated that there were no overlaps following its co-ordination with UNIDO.

Recommendation

6 ter. The Fund Secretariat recommends approval of the activity at the funding level indicated in Table 1 with the understanding that UNIDO and UNDP will jointly provide a profile of remaining enterprises in the sector and their consumption when the first project is submitted.
